Professional Summary

Full-Stack Developer with hands-on experience in building robust and scalable web applications using the MERN stack. Skilled in developing RESTful APIs, implementing secure authentication (JWT), and building dynamic frontend interfaces. Strong foundation in Java and Spring Boot, offering adaptability across backend technologies.

Work Experience

Full Stack Developer Intern

CDA IT SOLUTIONS, Hyderabad | March/2025 – Present (Onsite)

Responsibilities:

- Developing responsive web applications using React.js, Express.js, Node.js and MongoDB.
- Building and integrating RESTful APIs to support backend services.
- Creating dynamic frontend components and managing application state.
- Collaborating with senior developers to enhance project features.

Projects

VCard – Virtual Business Card Management System

(Full-Stack | React.js + Express.js + Node.js + MongoDB + Tailwind)

- Designed and developed the complete VCard system including frontend and backend.
- Built role-based UI rendering (Super Admin, Admin, User) using React.js and Tailwind CSS.
- Implemented secure authentication using JWT tokens and protected routes.
- Developed RESTful APIs with Express.js, integrated bcrypt for password hashing, and used MongoDB for data management.

Wellness Mart – Console E-Commerce Application

(Core Java | OOP)

- Built a console-based shopping application for health and wellness products.
- Implemented user registration/login, product catalog browsing, and shopping cart features.
- Applied Object-Oriented Programming principles including inheritance and encapsulation.

Technical Skills

- Programming Languages: **Java, JavaScript**
- Backend Frameworks: **Spring Boot, Node.js, Express.js**
- Frontend Frameworks: **React.js, Tailwind CSS, Bootstrap**
- Database & ORM: **MySQL, MongoDB, Hibernate, JPA**
- Web Technologies: **HTML, CSS, JavaScript**
- API Development: **RESTful APIs, JWT , Talend API Tester**
- Version Control: **Git, GitHub**
- Other Skills: **Object Oriented Programming (OOP)**

Education

Graduation: **2019 - 2023**

Aditya College Of Engineering & Technology

Electronics & Communication Engineering

CGPA – 7.15

Achievements

- Solved 100+ problems on LeetCode.
- Earned multiple badges on HackerRank, demonstrating proficiency in various programming languages and concepts.
